

QUALIFIED CHARITABLE DISTRIBUTIONS (QCDs) TO YOUR INFaITH NON-ADVISED FUND

If you are 70½ or older, you may create a non-advised charitable fund with gifts of qualified charitable distributions from your IRA. When making this type of gift, you recommend one or more IRS-qualified charities to receive automatic annual grants from your charitable fund, either in perpetuity or for a term of years. If a charity you recommend loses its tax-exempt status, grants will be reallocated among remaining charities. If all charities cease to exist, remaining charitable support is directed to the InFaith Community Fund.

When making this type of gift, you do not have advisory capacity over the charitable fund once it is established due to IRS regulations. Due to federal tax codes on QCDs, you may not add or remove benefiting charities or change the distribution plan.

YOUR NEXT STEP

How to Make a Gift of QCDs:

1. Contact your IRA administrator and request a QCD be sent directly to:

InFaith Community Foundation
600 Portland Ave South, Suite 5100
Minneapolis MN 55415

Tax ID: 41-1802412

2. Notify InFaith when the distribution request has been made, so we can watch for the check and ensure it's properly credited to your non-advised fund.
3. InFaith will send a gift acknowledgement for the QCD to share with your tax preparer.
